I forgot my password

Activate Windows
Go to Settings to activate Windows.

If you enter the data on the login page in a correct way, the pages that can do your work will open for you. The first page that opens is the home page of the site, but a place will appear for you to book the examination, so you enter the data for booking the examination and then click on the Send you appointment button.

Receptionist jobs on the system

In order for the Receptionist to do his work on the HCR system (3M-A Team), he must follow these steps:

1. First step open the web application through the Link =>

<https://localhost:44358/HCRWebsite/Home>

Home page the first page will open to you

A screenshot of a web browser showing the "3M-A | Home" page at https://localhost:44358/HCRWebsite/Home. The header includes a navigation bar with links for Home, About Us, Services, Blog, Contacts, Login, and Register. A teal sidebar on the left contains the text "Welcome to 3-M A" and "Your health is our responsibility". The main content area features a background image of medical professionals in scrubs and masks. A call-to-action text "If you want to make an appointment you should login" is overlaid on the image, with a "Click Here To Login" button below it. At the bottom right of the page, there is an "Activate Windows" message with a link to Settings.

2. Click on Login to do a login on the system so that you can do your work and when this is clicked, this page will open for you. Enter your email and password, then click on the Sign In button. If you forgot the password, click on I forgot my password. A page will open for you to enter it Email: A link will be sent to you on the email, when you click on it, a page will open for you to enter the new password.

A screenshot of a web browser showing the "HCR | Log in" page at https://localhost:44358. The page has a clean design with a white background. It features a title "HCR login" and a subtitle "Sign in to start your session". There are two input fields: "Email" and "Password", each with a small icon next to it. Below these fields are two buttons: "Remember Me" (with a checkbox) and "Sign in" (in a teal button). Underneath the "Sign in" button is a link "I forgot my password". At the bottom right of the page, there is an "Activate Windows" message with a link to Settings.

A screenshot of a web browser showing a "Forgot password" form. The title bar says "localhost:44358/Account/ForgetPassword". The form has a header "HCR forgot password" and a message "You forgot your password? Here you can easily retrieve a new password." It contains a "Email" input field, a "Request new password" button, and a "Sign in!" link at the bottom.

3. If you entered the data on the login page correctly, the pages that can do your work will open for you. The first page that opens for you is the page for registering a new patient and booking an appointment for a patient

A screenshot of a "Create New Patient" page. The top navigation bar shows "Home / Create New Patient". The main section is titled "Patient Information" and contains fields for Name, National Number, Date of Birth, address, Phone, other Phone, Gender (Male selected), and a file upload area for an image. At the bottom are "Create" and "Reset" buttons.

4. If the patient is already registered on the system, he opens the booking page and chooses the patient by his national number and is booked for him by choosing the department, the shift, and the name of the doctor who belongs to this department and works during this shift, then click Booking.

patient info

Home page the first page will open to you

2. Click on Login to do a login on the system so that you can do your work and when this is clicked, this page will open for you. Enter your email and password, then click on the Sign In button. If you forgot the password, click on I forgot my password. A page will open for you to enter the email to A link will be sent to you on the email when you click on it, a page will open for you to enter the new password.

3. If you enter the data on the login page correctly, the pages that can do your work will open for you

A screenshot of the HCR Admin Dashboard. On the left is a sidebar with a teal header and a user profile picture. The sidebar contains a "Home" button and a "General Settings" dropdown menu with options like "Employees", "Doctors", "Nurses", "Departments", "Room", "Shift", "Medicine", "Lab", and "Radiology". The main content area has a teal header with the text "Welcome In Admin Dachboard". Below the header, there's a message "Admin Page Created By Sciences Team 2022".

There is a Dash Power in which there is everything an admin can do

1- The Employee tag contains two parts

*Create a new employee

A screenshot of the "Create Employee" form. The sidebar on the left shows the "Employees" section with a "Create Employee" option selected. The main form has a teal header "Create Employee" and a breadcrumb "Home / Create Employee". It has a "Basic Information" section with fields for "Name", "National Number", "Address", "Phone", "Date Of Birth" (mm/dd/yyyy), and "Image" (with a "Choose File" button and a "No file chosen" message). At the bottom, there's a "Time Shift" dropdown set to "2:00 PM - 6:00 PM", gender selection ("Gender" with "Male" and "Female" radio buttons), and a "Submit" button.

A screenshot of a web application interface titled "Employee's Account Information". On the left is a vertical navigation menu with "Employees" selected. The main form has fields for "Enter Your Email", "Password", and "Confirm Password". Below this is a section titled "Employee Social Media Info" with fields for "facebook", "twitter", and "whatsapp". At the bottom are "Create" and "Back" buttons, and a small upward arrow icon.

He enters the data correctly, then clicks on Create, and it is added to the database

*view all Employees

By clicking on Employees, a page will appear to him containing all employees

A screenshot of the "Employees" page. The left sidebar shows the "Employees" section is selected. The main area displays a grid of employee profiles. Each profile includes a thumbnail, the name (e.g., Receptionst, Employee1, Employee2, Employee3, Employee4, Employee7), and social media icons for Facebook, Google+, and Twitter. A button labeled "Create New Employee" is located in the bottom right corner of the grid area.

When you click on Create New Employee, it moves to the previous Create page

When you click on the employee's name, it will go to a page containing the employee's data.

The screenshot shows the HCR application's employee management screen. On the left is a sidebar with navigation links like Home, General Settings, Employees, Doctors, Nurses, Departements, Room, Shift, Medicine, Lab, and Radioloav. The main area has tabs for 'Employee' (with 'Update' and 'Delete' buttons), 'Info', and 'Update'. The 'Info' tab displays basic information: Address (Monofia), Email Address (Receptionst@gmail.com), Mobile (01011309841), Birth Date (5/6/2000 12:00:00 AM), and Social media links (Facebook, Twitter, LinkedIn). The 'Update' tab shows fields for Account Data: Phone (01011309841), Email (Receptionst@gmail.com), Password, and Confirm Password, with 'Basic' and 'Account' tabs at the top. At the bottom, there are 'Update' and 'Reset' buttons.

This screenshot is similar to the one above but includes a video player at the bottom left. It shows the same basic information and update functionality for the employee Receptionst.

Data is entered in Basic and Account

If we want to do an update, we press Update and the change will be done in the Database

* We press Delete if we want to delete the employee

in the doctor's tag

When you click on Doctor, several crowns appear under it

1- Create Doctor, when you click on it, a window appears

The first screenshot shows the 'Create Doctor' form with fields for Name, Date Of Birth, Address, National Number, Image, Phone, Departments, Time Shift, Gender (Male selected), and a 'Create' button.

The second screenshot shows the 'Doctor's Account Information' section with fields for Email, Password, and Confirm Password.

The sidebar on the left includes sections for General Settings, Employees, Doctors, Nurses, Departements, Room, Shift, and Medicine, with 'Create Doctor' highlighted.

He enters the data in a correct way, then click on create, and it is added to the database

*To See all the doctors

By clicking on View Doctors, a page will appear containing all the doctors

| Orthopedic | Orthopedic | Analysis | Radiology |

Update

Basic Account

Name: Nursel

Date Of Birth: 05/08/2000

The screenshot shows the HCR application's user interface. On the left is a sidebar with a teal header 'HCR' and a 'Welcome, Salam' message. Below it are various menu items: Home, General Settings, Employees, Doctors, Nurses, Departements, Room, Shift, Medicine, Lab, and Radioloov. The 'Departements' item has a dropdown with 'Create Departement' and 'View Departements'. The main area has two tabs: 'Info' and 'Update'. The 'Info' tab displays basic information: Address (Monofa), Email Address, Mobile (01011309841), Birth Date (5/8/2000 12:00:00 AM), and Social links for Facebook, Twitter, and LinkedIn. The 'Update' tab shows a form for 'Basic' and 'Account' information. The 'Basic' section includes fields for Name (Nurse1), Date Of Birth (05/08/2000), Address (monofa), and dropdowns for Day Work, Day work, Time Shift, Time shift, City, and City. The 'Account' tab is partially visible. At the bottom of the main area, there is a footer note: 'Admin Page Created By Sciences Team 2022'.

Data is entered in Basic and Account

If we want to do an update, we press Update and the change will be done in the Database

* We press Delete if we want to delete the nurse

*In Department Tag *

When you click on Department, several tags appear under it

1- Create Department, when you click on it, a window appears

The screenshot shows the 'Create Departement' dialog box. The sidebar on the left is identical to the previous one. The main area has a title 'Create Departement' and a sub-section 'Departement Information'. It contains a single input field labeled 'Departement Name'. At the bottom are 'Create' and '< Back' buttons. The top right corner shows a user profile for 'Salam'.

He enters the data in a correct way, then click on create, and it is added to the database

*View all Departments

By clicking on View Departments, a page will appear containing all the departments and through it, you can print this page by pressing the Print button

A screenshot of a web browser showing the 'All Departements' page. The URL is localhost:44358/Department/GetAllDepartments. The page has a teal header bar with the title 'All Departements'. Below it is a navigation bar with links for 'Home' and 'All Departements'. A toolbar with buttons for 'Copy', 'CSV', 'Excel', and 'Print' is visible. To the right is a search bar labeled 'Search:'. The main content area is a table with four rows of department data. The columns are '#', 'Department Name', 'Status', and 'Actions'. The data is as follows:

| # | Department Name | Status | Actions |
|---|-----------------|--------|-------------------------------------|
| 1 | Orthopedic | Active | <input type="button" value="Edit"/> |
| 2 | Radiology | Active | <input type="button" value="Edit"/> |
| 3 | Pharmacy | Active | <input type="button" value="Edit"/> |
| 4 | Analysis | Active | <input type="button" value="Edit"/> |

At the bottom left, it says 'Showing 1 To 4 Of 4 Entries'. At the bottom right, there is a watermark 'Activate Windows' and a link 'Go to Settings to activate Windows.'

If you want to modify a section, click on the edit button in front of the section you want to modify, and a page will open for you to enter the new data, then press Edit

The second table of the completed analyses

When you click on View Result, a page appears containing the analysis details

The screenshot shows a left sidebar with a teal header 'HCR' and a profile picture. Below it is a 'Welcome, Sallam' message. The sidebar contains a navigation menu with items: Home, General Settings, Employees, Doctors, Nurses, Departments, Room, Shift, Medicine, Lab, and Radiology. The 'Radiology' item has a dropdown arrow indicating it has sub-options. The main content area has three input fields: 'Lab Name :Analyzing1', 'Doctor Name :', and 'Date And Time :5/10/2022 1:29:16 AM'. Below these is a section titled 'Document Result' displaying a table of data. The table has columns for Department ID and Name. The data is as follows:

| Department ID | Name |
|---------------|---------------------|
| 1 | Medicine |
| 2 | Nursing |
| 3 | Administrative |
| 4 | Pharmacy |

Admin Page Created By Sciences Team 2022

When you click on Treatment, all the patient's sprinkles appear.

The screenshot shows the HCR application's treatment list. At the top, there are navigation tabs for 'Treatment' and 'Room'. The main area displays a table of treatment records with columns for Doctor Name, Pharmacist Name, Notes, Date And Time, and Details. The data shows five entries for Mohammed Sallam, each with a unique note identifier (e.g., 'Uuuuuu', 'Ss', 'Nn', 'Www', 'Eee') and a timestamp. A search bar is at the top right, and pagination controls (Previous, Next) are at the bottom right.

| Doctor Name | Pharmacist Name | Notes | Date And Time | Details |
|-----------------|-------------------|--------|----------------------|-------------------------|
| Mohammed Sallam | Mohammed Pharmacy | Uuuuuu | 5/10/2022 1:44:43 AM | Details |
| Mohammed Sallam | | Ss | 1/1/0001 12:00:00 AM | |
| Mohammed Sallam | | Nn | 1/1/0001 12:00:00 AM | Details |
| Mohammed Sallam | | Www | 1/1/0001 12:00:00 AM | |
| Mohammed Sallam | | Eee | 5/10/2022 1:30:35 AM | Details |

When you click on Details, a page appears containing the details of the treatment

The screenshot shows the 'Ahmed Omran Treatment Details' page. The top navigation bar includes 'Treatment' and 'Room' tabs. Below the header, there are buttons for Copy, CSV, Excel, and Print, along with a search bar. The main content area displays a table of treatment details for 'Medicine1' with two rows. Each row has a column for 'Medicine Name' and 'Notes'. A note identifier ('Medicine1') is present in both rows. Below the table, a message indicates 'Showing 1 To 1 Of 1 Entries'. Navigation buttons for 'Previous' and 'Next' are at the bottom right, and a 'Back' button is at the bottom left.

When you click on Treatment, all of its treatments appear

When you click on the Update icon, a page appears

We change the data, then press the icon 1, the edits will be saved

If icon 2 is pressed, the edits is not saved

A screenshot of the 'Edit Role' page. The left sidebar shows a navigation menu with 'Home', 'General Settings', 'Employees', 'Doctors', 'Nurses', 'Departments', 'Room', and 'Shift'. The main content area has a teal header 'Edit Role' and a sub-header 'Home / Edit Role'. It shows a 'Role Name' input field containing 'Admin'. Below it is a button labeled 'Add Or Remove User With Role'. A user profile icon with a minus sign is highlighted with a red circle. At the bottom, a note says 'Admin Page Created By Sciences Team 2022'. The top right shows a notification bell with 1 message and a user profile for 'Sallam'.

We click on Add Or Remove User With Role to add or remove a person from Role

All users appear and select who we want to add to Role.

A screenshot of the 'Add Or Remove User In Role' page. The left sidebar is identical to the previous screen. The main content area has a teal header 'Add Or Remove User In Role' and a sub-header 'Home / Add Or Remove User In Role'. It lists several email addresses with checkboxes: Employee7@Gmail.Com, Doctor6@Gmail.Com, Employee5@Gmail.Com, Employee3@Gmail.Com, 222222222222, Sallam1@Gmail.Com (which is checked), Sohal1@Gmail.Com (disabled), Employeeel@Gmail.Com, 3333333321222, and Analysis@Gmail.Com. At the bottom, a note says 'Admin Page Created By Sciences Team 2022'. The top right shows a notification bell with 1 message and a user profile for 'Sallam'.

When you click on the edit icon, the changes will be saved.

in the user tag

When you click on User, several tags appear under it

View All User When you click on it, a window appears

A screenshot of the 'All Users' page in the HCR application. The left sidebar shows a navigation menu with 'Welcome, Sallam' at the top, followed by 'Home', 'General Settings', 'Employees', 'Doctors', 'Nurses', 'Departements', 'Room', 'Shift', 'Medicine', 'Lab', and 'Radiology'. The main content area has a teal header bar with 'All Users' and a back arrow. Below is a table with columns 'Name' and 'Actions'. The table contains ten rows of user data, each with a small profile icon, a 'User Name' field (e.g., '111111111122', '12345678912345@Gmail.Com'), and an 'Edit' icon (a blue square with a white pencil). A search bar is at the top right, and a vertical teal bar is on the far right.

When you click on the edit icon, a page appears containing the email, we can modify it and press

A screenshot of the 'Edit User' page in the HCR application. The left sidebar is identical to the previous screenshot. The main content area has a teal header bar with 'Edit User'. Below is a form with a 'User Name' field containing '111111111122'. At the bottom of the page, there is a note: 'Admin Page Created By Sciences Team 2022'. There are two small blue icons at the bottom right of the form area.

We edit the email and then click on the edit icon, the edits will be saved.
